

**Intention declaration on the common affaires between
Litouwen and Flanders**

Flanders and Litouwen confirm their intention to strenghten the mutual ties of friendship.

Referring to the mutual intentions both partners agreed :

1. to extend their contacts, to investigate possibilities for new common cooperation and common projects between the two partners or alied with other partners;
2. to extend mutual relations, in particular the technical exchange-programs in infrastructure, special topic will be the renovation and the adaptation of the quay-walls and the accessibility of the harbours;
3. to organise the exchange, and to inform the authorities and the concerned-collectivities, about the proper legislationsconcerning those matters of competence;
4. to found some workgroups for the implementation of the common projects.
